

# NEXT STEPS

---

**Thank you for taking the time to attend.**

Please provide your comments on the feedback forms provided here today or via our website at:

[www.johnsonmowat.co.uk/consultations/](http://www.johnsonmowat.co.uk/consultations/)

When proposals have been finalised we will submit an outline planning application to Harrogate Borough Council.

The application will be accompanied by a range of technical documents including:

- Transport Statement and Travel Plan
- Flood Risk Assessment and Drainage Strategy
- Landscape Appraisal
- Ecology Appraisal

Harrogate Borough Council will carry out their own consultation with local residents once the application is submitted.
